RECIPES NEED TO FOLLOW THIS FORMAT AND CONTAIN AS MUCH DETAIL AS POSSIBLE ABOUT EACH INGREDIENT.

Quantity (in Grams, Ounces, Percentages, or Household Measurements)	Ingredient	Brand of Ingredient	Sub-Ingredients of Processed Foods Used (list ingredients below) <i>ALL sub-ingredients MUST attach a copy of nutrition facts panel label, ingredient statement and allergen statement from package.</i>

PLEASE NOTE: When submitting this form, you are confirming that your recipe is final. Any changes made to the label will incur a \$100 change fee.

CHECK HERE:

The client is responsible for supplying RL Food Testing Laboratory, Inc. with the accurate ingredients weights, and serving size with detail to differentiate from any common ingredient. By checking this box, you confirm you understand.

Liability Statement

We provide nutritional information using US FDA compliant nutrition label software, with the accuracy of the label content 100% dependent on what we receive from you, our clients. Laboratory service results are dependent on both the input we receive from you regarding the ingredients in your product and the quality of the product sample you send to us. Product quality is dependent on the product temperature when shipped, the container used to ship your product to us and the integrity of the sample we receive from you. We are not responsible for any errors that may occur based on your input or the poor product quality we receive from you. RL Food Testing Laboratory is not responsible for any consequential or other damages. All claims against RL Food Testing Laboratory are limited to the cost of services rendered.
